

School Non-Attendance Reasons Report

- The **overall attendance rate is 0.72**. The closer this value is to 1, the better, as it indicates a lower non-attendance rate compared to the attendance rate. The overall attendance is 2.6 times the overall non-attendance.
 - The **top four non-attendance reasons** are as follow:
 - a. Un-notified absence,
 - b. Sanctioned,
 - c. Notified as sick,
 - d. Unacceptable reasons.
- **By geolocation**, the very remote category has the lowest attendance rate at 0.47. Un-notified absence and unacceptable reasons are the most frequent non-attendance reasons in very remote areas.
 - **By indigenous summary**, Indigenous students have the lowest attendance rate at 0.55. Un-notified absence and sanctioned reasons are the most frequent non-attendance reasons for Indigenous students.
 - **By region**, the Barkly region has the lowest attendance rate at 0.44. Un-notified absence and unacceptable reasons are the most frequent non-attendance reasons in the Barkly region.
 - **By term**, Terms 2 and 4 have the lowest attendance rate at 0.71. Un-notified absence is the most frequent non-attendance reason in these terms.
